

Hailey Rowe is a Marketing and Sales Strategist for Online Service Providers who want to gain more clients online consistently, grow their business to full-time, and rock their sales without self-doubt. She shares her business, marketing, and mindset tips in her Health Coach Nation Podcast & in the Health Coach Nation Facebook Group ([Facebook.com/groups/healthcoachnation](https://www.facebook.com/groups/healthcoachnation)).

Since 2010, Hailey has worked in the coaching industry, as well as in Business Development & Marketing for several wellness companies & startups. She's also a certified behavioral change specialist and human potential coach.

Hailey's philosophy: You can have an amazing service and impact to make, but without a strong mindset, and sales and marketing plan, your business will remain a hobby.
